

If you are looking for a gift of great value for a baptism, a marriage, an anniversary or for another great event, we propose to offer a donation to our association to improve the life conditions of marginalised children in Tanzania. PAMINA is defending the children's' rights through its projects by offering education for the deaf Masai children in Endulen, Ngorongoro, by giving shelter and a possibility for a future to the street children at the Dogodogo centre in Bunju, and by financing the school fees in a secondary school for Masai girls to avoid early marriage and pregnancy.

All you have to do is to choose among the items below and then communicate to the association the name(s) and the address(es) to whom you want to make the gift. We will send a nice card to inform the person(s) about your donation. We thank you in advance for your generosity towards the marginalised children!
